

Our Journey With TWR

As we count down the weeks to the new Church's completion (due Jan. 31), we've enjoyed beautiful snowy weather, Christmas music, and time with family. We're excitedly making preparations for Baby Church, and can't wait to meet our little one!

We're at 52% of our needed monthly financial amount, and are very thankful for God's provision. Please pray for creativity, wisdom, perseverance, and guidance as God grows our financial support team. It is tempting to think, "We've talked to all the people we know...where will the other 48% of our support come from?" but we know God is in control!

By the time you receive this, Baby Church will likely have made her appearance. We do covet your prayers as we settle into life at home with a newborn. Please especially pray for Tyler as he juggles working full-time as well as his evening class.

TWR's visual media department is now officially known as TWR MOTION! Read more about this ministry at <https://www.twr.org/news/new-ministry-twr-motion-making-a-visual-statement> We're excited to be a part of TWR MOTION!
