

*I am the way, the truth and the life. No one comes to the Father except through me. John 14:6 ESV*

**June 2021**

Dear Friend,

For many of us life is beginning to resemble our life before the pandemic. Fewer of us are wearing masks or we are required to wear masks in fewer places. The arrival of summer promises sunshine and the possibility of more time with family and friends. For those who do not have that option, radio and media will continue to play a big part for those who have access.

## **Ministry**

In our last letter I mentioned 100% Worship with Thulani and Unathi. They have added a third member to the presenter team, Marinus Geyser. Marinus presents the news on the show. He features events that are happening in Africa that reveal God at work. Additionally, we are working to expand the reach of 100% Worship. Currently the main audience for the show is located in South Africa, Malawi and streaming on the internet. We are currently working with a new satellite network that will provide access to FM radio stations across the continent and increase the ministry reach of 100% Worship.

Another development for English ministry is radio to Singapore. TWR acquired a radio station that has a strong signal into Singapore. We are currently developing the programming and the plan is for TWR to begin broadcasting English to Singapore four hours a day while the rest of the day we will broadcast to the Indonesian islands that neighbor Singapore. We are grateful for this opportunity to share Christ each day to Singapore.

## Family

By the time you receive this letter, Tim will have finished his year of study for his Master's Degree in France. Pray for him as he returns to the U.S. and settles back into life here and looks for a job.

The opportunity to spend time with friends without a mask on has been something we have looked forward to for a long time. During May our friend Annabel Torrealba came to Cary to spend time with the Spanish ministry team here. Annabel is Ministry Director for North/Central Latin America and the Caribbean. We spent an evening with her along with former Spanish team members, Renata Nachtigall and Millie and David Sizelove. We talked ministry but also about family and what we have seen God doing in our lives. Our hope and prayer is if you have the opportunity you will also be able to spend time with family and friends.

Next to Naren: Annabel, Renata, Millie and David

Peonies and Foxglove.

We want to thank you for your continued prayers and support of our ministry. We hope we can see you in person soon. Let us know if there is an opportunity for us to visit you or to share with your church what God is doing through TWR.

Blessings,

*Scott and Marin*
