*For from Him & through Him & to Him are all things. To Him be the glory forever! Amen. Romans 11:36*

## International Team

Thank you for partnering with us as we serve the Lord at TWR in order to reach the world for Christ by mass media so that lasting fruit is produced.

Ben had the privilege of hosting the annual TWR Global IT conference during the month of June. This annual conference provides an opportunity for the Global IT team to refocus important plans, share information, encourage one another, and build cross-cultural relationships. We had staff from Guam, Singapore, South Africa, Cyprus, Bonaire, and Canada joining the staff located in Cary, NC, for this special time.

*TWR's Global IT Team*

During our time together, we focused on ways that God has answered prayer over the past year, and we continued to ask Him to provide. We recognize that because the goal is to reach the **whole world** with the gospel, the task will always seem larger than our abilities or resources. However, we have seen God answer prayer and we are convinced that only He can provide what is needed in order for TWR to fulfill the mission to which He has called us. I think that this is a blessing because it requires us to constantly depend on God.

One item we always ask the Lord is that He would provide the right people at the right time to help us accomplish His work at TWR. This is exactly what Jesus exhorted us to do when he said, “pray earnestly to the Lord of the harvest to send out laborers into his harvest.”

Thank you for continuing to pray with us for God's provision!

## Prayer Requests

Please pray for God to send the right people at just the right time. Please also pray for one of our IT members who is fighting cancer.

Our Global IT team is changing from a location-based organization to function-based organization. Please pray that this transition would go well and improve our ability to support TWR.

For our family to grow in the grace and faith of Jesus Christ.

## The Main Event

*For TWR, the main event is having listeners hear the gospel of Jesus Christ and be given an opportunity to respond. Below are a few samples of the hundreds of listener responses that were recorded by TWR from April – June, 2019.*

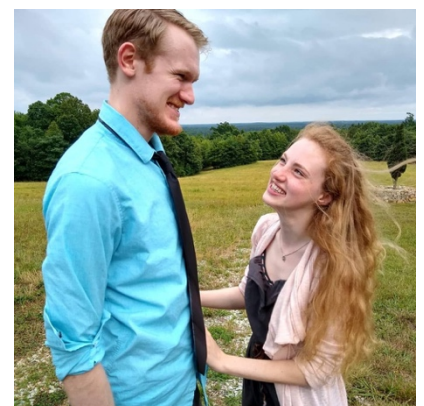

“The program is wonderful. I listen to it on Radio Trans Mundial Bonaire and I record it on my cell phone to study it later. I feel great admiration for Pastor Lutzer and the announcer. The preaching is magnificent. I am starting as a preacher and it helps me a lot. I thank God for you and pray to him to bless you. This program is making me advance in God. I love you in the love of CHRIST.” – a listener from Cuba of *Running to Win – Spanish*.

“We are a group of Sunday school teachers in [*city removed*], and we meet each time to listen to your teachings. Your teachings help us to prepare our lesson to share with the children on Sundays. Your messages provide training for all of us! Thank you, Trans World Radio.” – a listener from West Africa of *Dorothy’s Daily Devotional - French*.

“God speaks through your voices to millions of people who live without hope and strength. He tells us, His children, to be the light in the darkness of this deceitful world. Unfortunately, my husband and kids don’t know Jesus, even though I’ve been with Christ for 23 years. Quite often they join me when I listen to your Christian programs. Could you, please, join me in prayer for their salvation!” – a listener from Ukraine of *Thru the Bible - Ukranian*.
