For from Him & through Him & to Him are all things. To Him be the glory forever! Amen. Romans 11:36

Hope Knows no Barriers

The world seems full of crisis. Over the past few months, things such as COVID-19, police brutality, riots, and financial freefall have constantly been in the headlines. If there was ever a time that the world needed hope it is now! TWR exists to offer the hope of a new life through Jesus Christ to anyone anywhere.

We are thankful that TWR has continued to thrive during COVID-19 quarantines. The picture here may look familiar to those of you who have found Zoom to be your window to the world. Our in-person global IT meetings became virtual global IT meetings when

This was a wonderful time to review where we had been and plan our next year to support the ministry of TWR to reach the world for Christ by mass media so that lasting fruit is produced. **Thank you for your prayers for this virtual meeting.**

I cannot express how wonderful it is to work with such a talented and committed group of individuals on the global IT team. Each of them has a unique story of how God led them to use their technical skills to serve at TWR. And each of them seeks to use their gifts to ensure the world continues to hear about the hope found in Jesus Christ.

about 22 of us met over Zoom each day for a week at the end of March. We time-shifted our meetings so that they went from 6:30 AM-12:30 PM EDT. That was 3:30-9:30 AM for a team member in Arizona, 12:30-6:30 PM for our staff in Africa and Europe, 6:30 PM-12:30 AM for our staff in Singapore, and 8:30 PM-2:30 AM for a team member in Guam.

One great story about how TWR's ministry supports a world in COVID-19 lockdown is from a pastor in Sri Lanka who is using radio to nurture the believers in his church. You can read about it here: <https://www.twr.org/stories/speaking-hope-via-media-lockdown-world>.

Prayer Requests

Please continue to pray for staffing needs for our technical teams.

Pray for the evaluation of new technology to help streamline audio and playout processing for TWR.

Pray for our family to grow in the grace and faith of Jesus Christ.

The Main Event

For TWR, the main event is having listeners hear the gospel of Jesus Christ and be given an opportunity to respond. Below are a few samples of the many listener responses that were recorded by TWR recently.

“This program was very encouraging. I have been a Christian for over 65 years, and due to COVID-19, I am secluded in a small town with no open church services and have little contact with others. My family all live 1,500 miles away from me, and to be honest, this is the hardest time I’ve ever encountered. I need encouragement daily to not give in to discouragement and despair, and this program sure ministered. Thank you so much, and God bless you all. I love the hymn done on this program, too, by the way.” – A TWR360 listener in the US.

“During this COVID-19 situation, many are saying that we are in end times and Jesus Christ will come any time. For 22 years of my Christian life I have heard that Jesus is coming soon. Yes, truly He is going to come. I am thankful for your counsel and strengthening me in the Word of God. Many churches are closed at this time, but the Marathi TTB Program is still airing, and it is a blessing for me.” – a listener from India.

“I’m from a rural persecuted church. We can’t talk about Jesus in our area or share about Christian faith. But no one can stop us from listening to the radio. This is a wonderful opportunity for us to share the Gospel and learn the Word of God as well. Thank God for TWR Lanka.” – a listener from Sri Lanka.

“Thank God that he uses TWR to bless Cuba and other nations. This is the only Christian station signal that reaches the island and thank the Lord. Applause to God.” – a listener from Cuba.
