How beautiful are the feet of those who preach the gospel of peace, who bring glad tidings of good things. (Romans 10:15b)

TWR's Bonaire Power Up Project Fully Funded Over 3.8 Million Dollars Raised

For over three years, I (Andy) have been traveling to radio stations across the U.S. and raising funds to purchase a new, more powerful transmitter for TWR-Bonaire. After recent successful on-air campaigns in Idaho, Oregon, and Pennsylvania, I am excited to announce that the overall goal of 3.8 million dollars has been reached and exceeded! The new 450,000 watt AM transmitter has been ordered, and once it is installed this winter, over 100 million people in countries like, Cuba, Venezuela, Colombia, and Brazil will have access to the Gospel in their heart language. **Because of your support of our missionary work with TWR, together, we are all part of building the most powerful radio station in the Western Hemisphere.** And, think about this fact: the most powerful radio station in all of the Americas is proclaiming the name of Jesus. It truly is an honor to be involved in such a mighty tool for the Great Commission!

Why we Serve with TWR

We still have people ask us, "When are you moving back to Chattanooga, TN?" Our answer is always the same, "Until God calls us somewhere else, this (TWR) is where we will be.." We are humbled by the fact that God called us to be a part of this global ministry that is reaching the world for Christ. Below are two stories that show how God is at work through TWR.

My name is Sidibé I am a school teacher in the West of Côte d'Ivoire. I am Moslem and I listen to the radio a lot. I read the Koran and the whole Bible. My assessment of the two books brings me to say that the Bible is right because it contains a lot of fundamental truths, I believe that it is in the Bible that one can find the Salvation. Pray for me, I want to give my life to the Lord but I fear the reaction of my parents and the dismissal, sustain me in prayer please.

A story from Venezuela: "The man of the house was a womanizer, a gambler, and the 'town drunk.' His wife, who was the mother of eight children, found life too difficult when her seven-month-old baby died. So, she decided to commit suicide. She poured a drink of insecticide and was just about to take it when there was a knock at the door. It was her neighbor who stayed for quite a long time. Finally, when the neighbor left, the woman returned to her planned suicide, but just before drinking the poison, she decided to turn on the radio in order to have some background noise in the room. Her radio was tuned to TWR-Bonaire, and this woman heard the Gospel. She chose not to kill herself that night and began to listen regularly to TWR. In time, not only did she accept Christ, but all of her children became believers as well!! The dramatic change in this family drew the immediate attention to the townspeople. One by one, they too started listening to TWR-Bonaire. Ultimately, a church was formed with well over 300 members."

God is at work in the hearts of people around the world. If you'd like to hear more about our roles with TWR, we'd love to meet with you. **We will be in the Chattanooga area in July and would love to share with individuals, families, Sunday school classes, small groups, and churches to see if God might be leading you to partner with us.** Feel free to email us at anapier@twr.org or knapier@twr.org if you'd like to learn more. We'd love to meet with you!

On Mother's Day Andy was out of town so the boys took me out to eat.

There is a very nice Italian restaurant in our town, and these two treated me to a delicious lunch. I really enjoyed seeing John Edward speak up for the ticket when it came time to pay. We've enjoyed a lot of time together this year as Andy has been on the road a lot.

John Edward was promoted to 9th grade at a ceremony at Southern Wake Academy on June 7th. He is glad that summer break is now here. Sam is still working on finishing a few subjects. Both boys have been enjoying volunteering at TWR.

They have been helping with mail outs, shredding paper, and being available for anything else that might need to be done.

For the past two Memorial Days our town, Fuquay-Varina, has hosted a hot air balloon festival. The balloons take off from a local park, where vendors and crafts-people are set up. They fly over our town and land in fields and green spaces. The boys and I had fun driving around watching them fly and land.

Napier Family Happenings

In case you haven't heard, my mother, Virginia Jo (Ingle) Napier went home to be with the Lord on April 19 following surgery for colon cancer. While we know that

she is in Heaven, we all miss her greatly! We miss talking, traveling, eating out, watching television, and playing board games with her. Not only was she a kind and virtuous woman, she was a lot of fun! And, no matter how difficult the circumstances, she was able to laugh at life. Two passages of

Scripture come to mind when I think about my mother:

She is clothed with strength and dignity; she can laugh at the days to come. She speaks with wisdom, and faithful instruction is on her tongue.

—Proverbs 31:25-26 (NIV)

I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through him who gives me strength.

—Philippians 4:12-13 (NIV)

Andy

I Thessalonians 4:13 says, "But I do not want you to be ignorant, brethren, concerning those who have

fallen asleep, lest you sorrow as others who have no hope." Our family is so thankful that we grieve with hope knowing we will see Mam Ma again.

Virginia was a wonderful lady and mother. Her impact on Andy's life will always be my blessing.
