It's All About the Listeners (and TWR360 Users)

"I do not own a computer, or a tablet, or a cell phone to have access to what you talk about. I need to know what I have to do to open my heart to have Jesus Christ in my life. I listen to you on the radio. I listen to all the programs from the beginning to the end. Thank you for making them."

Media Development Updates

- I'm working on our team's communication strategy and working to engage with new CMMs (cooperating media ministries) and helping them to make a global impact with their media content. You can see some of this taking shape at twr.org/extend-your-reach.
- As of this writing (mid March), I have translation & production projects "in process" or "recently completed" in 23 languages (Portuguese, Russian, French, Spanish, and more) and am working on several other projects too!
- NRB (National Religious Broadcasters) Convention is in Anaheim, CA, in late March, and I'm running point for TWR for this event. I greatly appreciate your prayers that God will give us a fruitful a productive time!

Spring-ing Ahead!

Our first few months of 2019 got off to a great start!

The winter in NC was very mild.

Now we're heading into the Spring in beautiful North Carolina! I have an upcoming trip to California and am still working on event planning and execution for NRB and the 2019 Footsteps Media Ministries Conference in August.

Please pray for wisdom, strength, and endurance.

The JESUS Film Audio Drama (Impact Report)

The JESUS Film Audio Drama was broadcast on hundreds of TWR transmitters all over the world in December 2018 in a partnership between Cru and TWR. In March 2019, I completed a presentation that outlined the incredible ministry impact of these broadcasts and presented the results to Cru (formerly Campus Crusade for Christ).

In summary, there were thousands of listener responses received by TWR from listeners to the broadcasts—and hundreds of people indicated making a decision to trust Christ. To be honest, I am absolutely BLOWN AWAY by how God used this program to change lives around the world!

This was a great encouragement to me that God is still using radio today to draw people to Himself all around the world. As Revelation 5:9 reminds us that one day there will be people "from every tribe and language and people and nation" worshipping God!

Dapper Dan Boys!

Zeke's Corner

Zeke turned 3 years old this February.

We visited the Georgia Aquarium in Atlanta where the boys got to see all kinds of neat sea creatures up close. It was quite a trip!

We even got to see a whale shark up close! It's truly amazing to see a fish that's the size of a school bus.

Please pray that the Lord will continue protecting him physically and spiritually—and that he will gain an understanding of the Gospel at an early age.

Adventures with Benjamin—A.K.A. "Benventures"

Benjamin is still enjoying life each day. We got to attend a Lego convention in Raleigh—and we hope to do some other cool things together this year.

He is growing in his walk with the Lord and we're excited to see how he matures, slowly but surely!

Please pray the Lord will continue working in Ben's life and deepening his understanding of his identity in Christ and how the Gospel touches every aspect of life every day!

Little Zeke loves his Mommy!
