

July 2019

Dear friends and *Family*,

Since our last letter, we have had the joy of spending time with *Family* - our four children, David's five siblings.

The occasion that brought us all together, was to celebrate the life of David's godly mother who went to her heavenly home at age 94.

The week prior, God blessed us with sweet moments and precious hugs and smiles. Our four children traveled to Michigan for the occasion, spending time with mom the week before Mother's Day. When we left mom the following week, God carried her home to be with Him, only five days later.

A beautiful memory we all cherish is sitting at the kitchen table, cups of coffee or tea for everyone, mom sitting at the head of the table, the map of the world posted on the cupboard behind her, talking about God. The discussion often went deep into Scripture passages. *What is God saying here? In what context does the story become real and relevant for today?*

We are so thankful for a godly heritage!

The Rittenhouse siblings: Ruth, David, Steve, Carol, John, Tom.

Time with our support team and more family

We spent several weeks with many friends and with family from both David and Flora's side, in April and May. Great times of refreshment and spirit-building conversations were a wonderful result.

Some of the TWR happenings we spoke about:

- The Wayana people of Suriname reaching out to their own "Jerusalem".
- Bible story-telling via animated video seeing results in the Muslim world.
- The Oasis Project with the goal of blanketing Nigeria with the gospel.

If you are interested in more of the story behind these activities, let us know. We LOVE to talk about God-happenings around the globe.

Prayer & Praise

- *Thank you, Lord, for the privilege of growing up in a godly home. Pray for us to pass a thirst for God to our children and grandchildren.*
- Praise the Lord for our family time together in May.
- Pray for God to break through the net that Satan is throwing over much of the activity around the Oasis Transmitter project (gospel programs into Nigeria).
- Pray for our son, Nathan, and our daughter, Sarah, and their families as they are in transition to new locations. Pray for stability as they adjust to new homes, friends, church and schools.

Blessings dear ones,

David & Flora Rittenhouse
