TWR
May 2020

Dear Family and Friends,

As we write our prayer letter it is mid-April and the pandemic is forecast to peak this week. Like many states, we are under "stay at home" restrictions. We are doing well, keeping busy with things in the yard and inside our home. We trust you are resting in the fact that God knew about this before it began. He has a plan and purpose for all things. Aren't you glad that God has got it handled? He is trustworthy, faithful and is still on His throne! PTL! 😊

Although TWR's main priorities are proclaiming the gospel and making disciples, they frequently help people trapped in natural or manmade disasters. Serving as a voice of hope, strength and information in times of crisis, TWR is doing so now in the midst of the Coronavirus pandemic. TWR Asia's Chinese Ministry has created a program called From Despair to Hope. It consists of short episodes offering encouragement and evangelistic messages to some of the hardest-hit countries. It is now going out in Mandarin with the intention of translating it into other Chinese languages as well as Korean and Japanese. A 26-minute interview program, Coronavirus: What You Need to Know, has been broadcast in English and Spanish from the TWR Bonaire transmitter. The program has also been translated into Farsi for broadcast into the country of Iran. This program features an interview with nationally known Christian health-care leader, Dr. David Stevens. The program gives extensive information about the nature of the virus and preventive measures to take. It also includes a discussion of spiritual perspectives on the COVID-19 outbreak.

Happy Spring

TWR has been undergirded by prayer throughout its founding, operation and growth. They are firmly convinced that God will continue using and blessing this ministry as long it remains sharply focused on its calling and relies on daily prayer. So, we ask if you would join us in making TWR a regular part of your personal prayer time. It is TWR's goal to not merely survive this coronavirus ordeal but to truly be "more than conquerors through Him who loves us."

We do have some good news to share with you. Our first great-grandchild was born on March 16th to our granddaughter, Callie, and her husband, Kyler. Kaizlee Willow is a precious gift from the Lord. We were very thankful that we got to see her before the pandemic made it unwise to gather together.

Prayer and Praise

- Praise for our beautiful great granddaughter.
- Praise that God is still on His throne and has everything under control during the coronavirus pandemic.
- Pray for God's blessings on the coronavirus broadcasts and that many lost souls will put their faith and trust in Jesus. Pray that more languages will be added to TWR's broadcast list.
- Pray for God's continued care and protection on TWR's missionaries and staff worldwide.

Thank you so much for your special part in our lives and ministry. We are praying for your safety and well-being during this time of crisis in our world. We appreciate you all so very much. ☺ We are sending our love to each of you.

A handwritten signature in cursive that reads "Ted & Sally" followed by a simple smiley face drawing consisting of a circle with two dots for eyes and a curved line for a mouth.
