

THE FROST FILES

April 2014

Dear brothers and sisters in Christ,

Greetings once again from North Carolina!

TWR anniversaries

This is a very busy and exciting year for TWR as three major anniversaries will be recognized in 2014. TWR celebrated its 60th anniversary in February with a global webinar with our offices around the world. In August, TWR Bonaire will have been on the air for 50 years broadcasting the Gospel to Latin America and the Caribbean. Finally, it was October of 1974 when TWR Swaziland started broadcasting to the southern half of Africa.

New Program to Respond to Ukraine Crisis

A radio program promoting reconciliation is in intensive development as TWR's primary contribution to multinational Christian spiritual support of tumultuous Ukraine. At home, in Europe and around the world, Christians are issuing statements expressing their support and commitment to pray for their brothers and sisters in the former Soviet nation. After protests and a sudden government turnover,

Ukraine now faces a siege by pro-Russian forces in portions of its territory. Personnel at TWR Ukraine are witnessing the crisis firsthand, of course, and they are determined to present a positive, biblical perspective as the traumatized country strives to regain its footing. That's why *Reconciliation for Ukraine* is being planned to address issues of bitterness and forgiveness.

Upcoming trips

Shelley and I will be in Florida in April sharing our ministry in some of our supporting churches. We'll be in California in May spending some time with Rachel and Matt and distributing information to TWR churches. In June, I travel to Seattle, Washington to visit some churches and present TWR's ministry in a church in Arlington, WA. Later that month, I return to Lincoln, Nebraska for the first time in almost 6 years. You may remember that Shelley and I lived in Lincoln for 2 years when I served at Back to the Bible. In July, we will be in New England for two weeks visiting churches and spending time with friends and family.

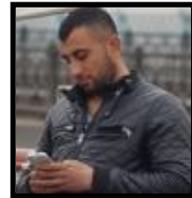

Reaching people for Christ

Through research from our friends at The Joshua Project and Global Mapping International, it has been determined that every day 4 billion people around the world have access to the Gospel on a TWR radio program in their heart language! The vast majority of these people are not Christians and many will hear the name of Jesus Christ for the first time!

Radio is powerful and reaches across geographical and political barriers. It goes where missionaries cannot go. Radio penetrates the walls of buildings and the human heart. It is God's instrument to reach that one person who is searching for answers to who God is and wants to know the truth. Many of our listeners have had an appointment with God through a TWR radio program. Here are some testimonials that I know will bless your heart.

"I would like to thank you for accepting me as a brother in Christ. I was living in the darkness and am now living in the light! I'm studying the Bible slowly and I would like to know more about the basics of Christianity. Thank you for your help." – A listener in the Middle East

"I thank God and TWR for sending to our family a radio to assist us in listening to his Word. Our congregation is located in the mountain range, and its people come from the northern province. We have a plan so that each family can take turns listening to God's Word via TWR. Everyone is joyful in listening because they learn some precious lessons for life application. All [of us] are eager to listen and study God's Word; the programs are interesting and beneficial." –A listener from Vietnam

"Even those in my village who are not Christian listen to your program and don't like to miss it. Please pray for those unseen listeners, even those who cannot contact you. Pray that, through hearing your program, God will bring them to repentance, so that they accept Christ as their personal Savior." – A listener in Niger, Africa

We have served with TWR for a total of sixteen years. It is letters like the ones above that fuel our passion for what the Lord is accomplishing in the Kingdom through TWR. There is no question that multitudes of believers are and will be in heaven simply because they scanned a radio dial looking for answers and found the truth in Jesus Christ!

As always, please pray for safe travels for us on our trips. Thank you for your financial support and prayers for our ministry! God bless you!

Serving the King,

Wayne and *Shelley*
