

THE FROST FILES

February 2014

Dear praying friends,

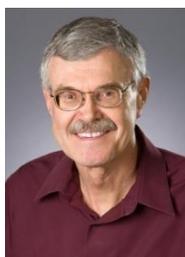

Greetings from Cary, North Carolina! We trust that the new year is off to a good start for you! Just think, this might be the year that Jesus returns to take us to be with Him! Oh, what a glorious day that will be!

Since our last letter, the Lord has been working in a wonderful way in our family. Rachel and Matt traveled from California overnight and arrived in Raleigh early on Thanksgiving morning. This was a total surprise for Shelley and an even bigger surprise in that I knew about it for three months and kept my mouth shut! We had a great time playing games and enjoying another sumptuous feast prepared by Shelley. Although we share them with Matt's parents alternating every other year for Christmas, we will see them again next May when we travel to California for TWR church business and to celebrate our 32nd wedding anniversary.

Report for 2013

The past year was my first full year of presenting TWR to churches around the nation. I traveled to 19 states on 16 trips, participated in 7 people-group conferences and personally visited 206 churches. At each church I met with church staff and left an information packet with them.

your church in missions, give Wayne a call.

I also have developed an email e-letter called Collaboration, which will be distributed monthly to over 950 churches. The e-letter will focus on current TWR news, the impact of our ministry on the lives of listeners and Internet users, how the Lord is working in our ministry and urgent prayer needs.

Wayne's 2014 Travel Schedule

As you receive this letter, I have already attended a major missions event in Portland Oregon in January. The months of February through May are very busy. During this timeframe, I will participate in people group conferences in Columbus Ohio, Baltimore Maryland, Atlanta Georgia, and Toronto Ontario in Canada. I'll also represent TWR at a missions conference in Seattle Washington and visit a number of churches in Florida and California. The remainder of my 2014 travel schedule will be published in our April prayer letter.

Overall, the plan in 2014 is to personally visit more than 220 churches. The travel on this map will take me more than 20,000 miles. Thankfully, the majority of these miles will be on airplanes! On an average trip, I drive between 1,000 and 1,500 miles. This includes driving to East Coast locations from North Carolina or flying to a destination and renting a car and visiting churches in a particular area.

Shelley is really enjoying her service as the gift processing supervisor. Donor Services just finished its busiest time of the year. A group of donors pledged \$237,500 as a matching-gift challenge. The challenge was met in late December, and gifts were still being recorded in early January. TWR officially closed the 2013 books on January 13th. Shelley and her team did a wonderful job on keeping up with the workload, especially since they were also using new donor software, which was installed in the fall.

Prayer needs:

- ✓ Please pray for safety on the road and good airline connections.
- ✓ Pray for wisdom in planning for these trips to get the most out of my travel budget.
- ✓ Pray for an increase in our missionary monthly support. In 2013, just 75% of our pledged support came in, so we are under-supported.

Thank you for your prayers for our ministry with TWR! God bless you!

Serving the King,

Wayne and *Shelley*
