*For the life of the flesh is in the blood, and I have given it for you on the altar to make atonement for your souls, for it is the blood that makes atonement by the life. (Leviticus 17:11 ESV).*

*... for this is my blood of the covenant, which is poured out for many for the forgiveness of sins. (Matthew 26:28 ESV).*

## Spring Greetings Dear Friends!

As Easter approaches it reminds us that Jesus made the ultimate sacrifice as the perfect Passover Lamb who shed His blood to pay for our sins. What an awesome, amazing thing to know the God of the universe and to know that He cares for us!

## The Way of Righteousness

Muslims are taught to honor Jesus as a prophet. But they stop short of accepting him for who he really is — the Son of God. They also revere the prophetic books of the Old Testament, which contain many references to the coming Messiah. Those passages describe Jesus with astounding accuracy.

With this in mind, missionary Paul Bramsen decided to create an audio

teaching series introducing listeners to the Old Testament prophets, highlighting the passages that point to Jesus. TWR (Trans World Radio) has been able to air this series throughout the Muslim world, translating it into **36 languages so far**. And as you'll see from the testimonies here, the results have been amazing.

*I regularly listen to the program The Way of Righteousness. This show fills me with happiness because it has completely changed my life! Through The Way of Righteousness, I have learned many things about the love of God and the wonderful plan of Salvation that God has for everyone who places his trust in his only Son, Jesus Christ.*

**Muslims are learning the truth about Jesus. And many are believing.**

We're hearing story after story of listeners

coming to Christ after hearing The Way of Righteousness programs. Their testimonies show us that we must make this program available to as many people as possible. That means we urgently need to translate it into even more languages. . . .

*This program responds to all the concerns and questions that Muslims [have]. I would inform my Muslim brothers and sisters about the days and times of the broadcast of the*

*program so that they listen to it; then I will pray that the Hbly Spirit touch and enlighten them to accept the only Jesus Christ of Nazareth as the true path of salvation. All my*

*encouragement for this program and the light of God be to all the people of God!*

The COVID-19 pandemic that engulfed the world in 2020 has been grievous. But it has also awakened a deep hunger for truth and salvation among millions of people. Now is the time to reach these precious souls with the good news.

Right now, we're preparing to translate The Way of Righteousness into three more languages: - **Bosnian** (spoken in Eastern European areas that border Russia) - **Senoufo** (for Ivory Coast and other West African countries) - **Hindustani** (spoken in North India and Pakistan).

With these new translations, we can potentially reach over 250 million people who desperately need the hope found in Jesus. . . .

*Praise the Lord! By listening to the words of God, our family finally believes in the Lord Jesus after a long process. ... Finally, I understood*

*that Lord Jesus is a God worthy of worship.*

He teaches us to do good and show love to others because Jesus has first loved us.

– *A listener in Indonesia*

Beyond the horrors of the pandemic, people in the Muslim world are also looking for hope. The story of a loving Savior who forgives sins and brings peace awakens a deep yearning in them. When they hear it, many of them respond with joy and gratitude.

One listener put it this way: *“I just listened to the program The Way of Righteousness ... I prefer to seek the penetrating power of the truth of God and the everlasting sweetness of God's way of righteousness.”*

**The Way of Righteousness provides a bridge between the history that Muslims are already aware of and the saving gospel that they need.**

How surprised many listeners are when they delve into the Old Testament and discover that the great prophets they respect point the way to Jesus — the “Wonderful Counselor” and “Prince of Peace” (Isaiah 9:6) who “took up our pain and bore our suffering” (Isaiah 53:4).

Here’s how another listener responded: *“I listened to the program The Way of Righteousness in Bambara. The teaching spoke of the prophet Isaiah as well as the victory of Jesus Christ over the Devil. I want to know more about Jesus Christ. May God protect you.”*

There are more than 1.8 billion Muslims in the world. They’ve been taught to revere the prophetic books of the Old Testament, but most have

no idea what is in those books. They’re waiting to hear the message of God’s saving love. We cannot deny it to them. God is using The Way of Righteousness to reach countless people. Please help us reach them. . .
