December 2020

*And the Word became flesh, and dwelt among us, and we saw His glory, glory as of the only begotten from the Father, full of grace and truth.* **John 1:14**

## December Greetings Dear Friends!

December reminds us that Jesus, Emmanuel, God in the flesh came and lived among men that we could get to know God. What an awesome amazing thing to know the God of the universe and to know that He cares for us.

### Global Finance Meeting

The Global Finance Team met virtually in November to discuss policies, procedures, budgets and all the exciting things that the finance department has the privilege to be involved in. We had a good week of virtual meetings. Although we normally meet face-to-face, by doing it virtually, more of the team from Africa, Europe and Asia was able to

participate. An important part of our meetings was our morning prayer times for the ministry and for the people listening to the broadcasts. Our work in finance might seem disconnected from the preaching of the Word, but it is truly a vital part of reaching and proclaiming the Mystery of the Gospel. Without the finance team tracking the funding, paying the bills, and informing the ministry of the funds available, the work would be hindered, and broadcasts could be in jeopardy. All we do, is so that people can hear, be challenged, and encouraged by God's Word and come to know Jesus. Without your involvement as well, these people would not hear. Thank you so much for being part of our ministry of reaching people for Jesus!

As you read these listener letters, know that their lives are changed because you pray and support this ministry.

### Listener Excerpts

"After listening to *The Way of Righteousness*, I asked JESUS

to come into my life, found a Bible base church, and got baptized! Thank you!" - A listener in Uganda

"I was born and raised in a family that practiced another major religion. I started to learn the holy book at an early age. I was surrounded by followers of this same belief system and had no opportunity to experience other religions.

"Recently, I started to listen to the *Thru the Bible* radio program, and I thought it was one of the secular radio programs, but it was not. Rather, it is a unique radio program that changed my false perception of Christianity. Eventually, this radio program led me in the right way, and I decided to accept the Lord Jesus Christ as my Savior. I faced challenges and persecution from my family and relatives for having converted to Christianity. I do not see any problem in being a Christian. I believe Jesus will cure my family from blindness. Now I am staying with one of my relatives. Please pray for me."

Akash (not his real name) read many religious books but remained skeptical. One day, he opened up a Bible.

He recalled, "...an inner voice told me that Jesus is really God, and complete peace came into my heart."

Akash felt lost as to what to do next. He had no one to guide him in his newfound faith journey.

He said, "My joy knew no bounds when I heard the radio program *Heralds of Hope*. It helped me understand the word of God better and fed me nutrients as a baby Christian."

Today, Akash's family worships the Lord in their home country of Nepal.

"I am a 22-year-old woman and was wondering whether women are worthless in other religions as well. In my family neither me nor my mother had any worth. Our family never asked us about anything – they just decided over us. The same thing continued after I got married. I always asked myself why God does not love women. What have we done? Even when we get abused as women, we get the blame and I couldn't understand that. I talked with a friend, and she said the evil one had deceived us and therefore we were thrown out of Eden. She said that there is a curse over women.

"Then I found your programs. I listened to them in secret, and it's difficult for me, but I always find a

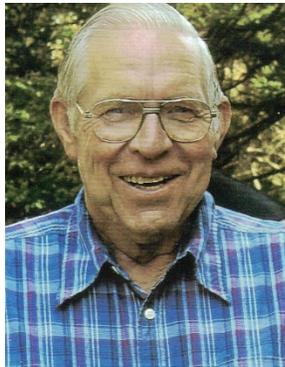

way. Christ has done so many things for me. I accepted Him into my life, and I'm so happy because I know I'm worthy to him. He cares about me and he doesn't look at me as a woman but as His child. I never experienced a love like that before in my life. He gives me strength. Thank you for being there and for the work you are doing. It has changed my life."

## Family Update

Kelley, her mom, and family have found more closure and peace following her Dad's (Gerald Blodgett Sr) interment service on October 17<sup>th</sup>. They find comfort in knowing he is now with Jesus!

Kelley's Mom and family

- Micah & Nicole & family - have adjusted well to being back in the school routine and to having two less foster children in their home (the State chose to move them elsewhere)

## Prayer Requests

- For seekers to hear the Word and find the One they seek
- For all, home and abroad, to find peace in the Prince of peace during these "trying and uncertain times"

**That seekers may find peace and joy in Him,**
