February 2020

. . . faith comes from hearing, and hearing by **the word of Christ.**

**Romans 10:17**

. . . **my Word** . . . shall accomplish that which I purpose, and shall succeed in the thing for which I sent it.

**Isaiah 55:11**

## February Greetings!

Praise the Lord, that the WORD that came at Christmas, is still changing lives! God is at work. Praying that you have a fantastic year ahead.

### *Rituals for the Gods Left Woman Unhappy*

No matter how hard she tried to please the gods worshipped by her family, Prisha couldn't see how those efforts made any difference in her own life.

"Performing so many rituals religiously didn't make me or anyone else in my family happy," Prisha\* told a TWR response team.

Eventually, this young woman who lives in India was so burdened by the many problems facing her and her family that she contemplated seeking help in a nearby church. Surely, though, that wouldn't go down well with her non-Christian family.

One day, a Christian pastor heard about Prisha's plight and told her about the radio program *The Word Today*, aired by TWR in the Gondi

language, spoken in that part of the country. "If you can't come to church, why don't you listen to the program?" he suggested.

Prisha listened to the broadcast in private. Her heart was stirred by what she heard - how much God loved her and sent Jesus Christ to die on the cross for her sins and how she could experience his grace if she turned to and received him as her Savior.

This was a liberating message. Prisha realized that she could not *earn* salvation, but that God lovingly offered his forgiveness through his Son Jesus Christ.

*"I began listening regularly, and one day on the program during the prayer time, I sensed God assuring me by saying, 'I am your God who delivers you, and I will sustain you,'" she recalled. "I believed on his words and prayed continually."*

Prisha boldly told her family and relatives of her decision to follow Jesus Christ. They were not happy at first, but as they saw continued change in her life, they, too, started to listen and committed their lives to Christ. Through the program, they discovered they could trust God with their problems.

"Soon his deliverance started manifesting in my family, and we all rejoiced in the Lord," Prisha exclaimed.

Since then, Prisha has led a radio home group in her area to help others listen to *The Word Today*. God's Spirit has clearly been active!

**"The Lord Jesus is working in the lives of people and changing them through his Word,"** she said. "Many have accepted him as their personal Savior. Praise God!"
