In June, we had the great blessing of having our whole family together at a farm in central Pennsylvania. Fishing, hiking, swimming, games and other fun was had by all. **We treasured it, as it will be the last time our family will be all together before we head for Cyprus.**

Left to right, back row: Scott & Rachel VanDyken, Brandon and Charlotte West, Eric & Audrey Ford. L to R, front: Gage Poor, Daryl & Carol VanDyken, Julie Poor. And the two little cuties are Scott & Rachel's: Harper and Bennett.

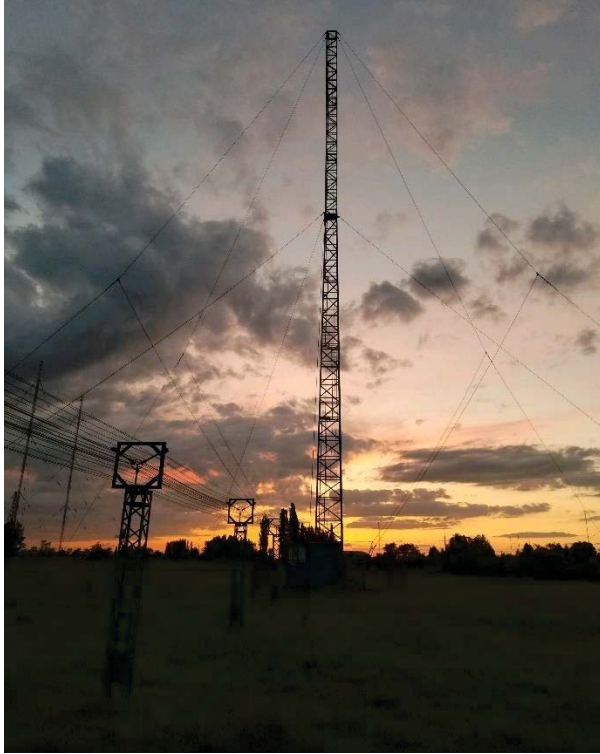

**Yes, we are expecting new grandbabies this fall from Rachel and Julie!!!**

**Lord willing, we will join the TWR Europe team in Cyprus on Tuesday, September 25!**

These months we are sorting out our personal belongings: getting rid of lots, storing some, and packing a few household items, pictures and clothing to ship over.

We are also speaking in churches, to individuals, and to small groups about this new focus and to raise a Ministry Fund for relocating expenses.

This is TWR's Silk Road transmitter site. It will cover 10 of the 12 major Central Asian cities with Christian programming. (What's the Silk Road? <https://www.britannica.com/topic/Silk-Road-trade-route> )

Daryl and Ruedi, a Swiss TWR engineer, were there in May and July, and need to go again in October for installation. The new transmitter is due to be on the air in January. L to R: Ruedi, interpreter, Daryl, station director. **Pray for Daryl and the translator, as everything is in Russian!**

#### Prayers and Praises:

- ✚ **Praise for our dear family** and the privilege of spending time together this summer.
- ✚ **For clarity, as we share** this new TWR focus in our lives with individuals and churches.
- ✚ **For Daryl, as he works on the Silk Road transmitter** project, and gets to know other TWR sites and staff in the European region.
- ✚ **For us, as we say goodbye** to dear family and friends!
- ✚ **For provision of our Ministry Transfer Fund.**
- ✚ **That the Lord would supply an economical house and car in Cyprus.**
- ✚ **That we would be an encouraging part of the new staff forming in Cyprus.**

*My husband and I talked to a young man about Jesus. He follows another religion. We turned on the radio and he sat and listened to all the programs – in Uzbek, Turkmen, Kazakh, Kyrgyz, Tajik, and Russian. Your program answered all the questions that had been bothering his soul. We showed him the Jesus movie afterward in Uzbek. He accepted Christ into his heart and 15 more also repented and accepted Christ! May the Most High be praised!  
From a listener in Central Asia.*

**Thank you so much for your ongoing prayers and support!  
Blessings, Daryl and Carol VanDyken**
