VanDyken's' News

Merry Christmas!

This is the reason we do what we do, and this is the reason we partner with you: to reach the world with the Good News of Jesus!

We have been in the U.S. this fall most of the time (with a quick trip back to Cyprus to renew our two-year residency permits.) As of the writing of this newsletter, our house here has not sold. Prayers are appreciated! God is growing us through this experience. We return to Cyprus on December 3, Lord willing.

Cyprus has tightened restrictions again due to heightened COVID cases.

Thank you so much for your friendship and support. May God richly bless you in 2020!

Daryl and Carol VanDyken

“I’ve recently met my neighbor. She was very sick and as she met me, she started to cry. I told her again about God’s love and care for her. In the past, I spoke to her about Christ, but she asked me not to speak with her about faith. I just prayed for her. Now she asked me why there is so much sorrow and evil on the earth if God loves all people. I shared with her the vivid thoughts from a radio program about how God cares for people, He is not indifferent to the pain. He sent His Son to rescue mankind. At that moment another neighbor came to us and she was interested as well. So, we see how God reaches the people. Praise be to Him.”

May the favor of the Lord our God rest on us; establish the work of our hands for us, yes, establish the work of our hands.

Ps. 90:17
