Speaking Hope to the World

cvandyken@twr.org

Happy New Year!

As we look back at the previous year, we praise God for His faithfulness:

- ◇ Blessings of meaningful work, a great team, a caring church family, and a beautiful spot in which to live.
- ◇ Prayer and financial support from the Body of Christ, which makes our work here possible.
- ◇ Guests who have come to see where we work and live.
- ◇ A wonderful group of women who came to the fall Bible study and want to continue in this new year!

As we look forward to this coming year, we anticipate with joy:

- ◇ Hearing from more listeners how God is using TWR's Christian media to impact their lives.
- ◇ An expected grandson in May from Julie and Gage—that makes five grandchildren for us!
- ◇ Prayer and financial support from the Body of Christ, which makes our work here possible.

As always, we couldn't be more grateful to God for His provisions in so many ways in our lives, and the privilege of serving Him through TWR. Thank you for being a part of this wonderful work.

What God's Up To In Our TWR Region:

"I am a physically challenged person. I own a shop in a town where there are people who follow the majority religion as well as people who follow Christianity. I play the TWR radio programs every day when I open my shop so that people around me can listen to the programs. I've received a lot of blessings from the radio programs. Thank you, TWR."

- A Pakistani Listener

Thinking about media ministry and looking back, we cannot help but proclaim loudly, 'The Lord is faithful!' We are very grateful that the long series "Thru the Bible" in Uzbek has now been completed. Our coworkers were able to record all the programs despite travel restrictions. Last year, the translation of the Uzbek Bible was completed. And now, the recording of the series is completed, too. God is faithful! It would be a great privilege to record it now in a dramatized way. With this audio Bible, we could produce short radio programs where the Bible text is read and short explanations are added. We call this project "Radio Bible." Such airings are a great help in these mainly oral cultures.

Recently, TWR's president, Lauren Libby, had the opportunity to attend Russia's first-ever national prayer breakfast! He attended because TWR broadcasts into Russia. Pray for TWR's ministry directors who develop programming for that region.
