Shout for joy to God, all the earth; sing the glory of His name; give to him glorious praise! Say to God, "How awesome are your deeds!"

By God's grace, the 200,000 watt Silk Road transmitter went on the air on June 10, 2019! To hear the first 30 seconds of the broadcast, click here:

Come and see what God has done: he is awesome in His deeds toward the children of man.

Thank the Lord that approximately 60 million people in Central Asia (countries like Turkmenistan, Tajikistan, Kazakhstan, Kyrgyzstan, Uzbekistan and nearby regions) are now within range of radio signals that allow them to hear the Good News of Jesus Christ!

Bless our God, O peoples, let the sound of His praise be heard, who has kept our soul among the living and has not let our feet slip.

Throughout this past year, God has overcome major hurdles: securing permission from the government of the host country to install the transmitter, obtaining all the necessary paperwork for shipping the containers, and reviving transmitter equipment that had sat in storage for five years, among many others.

Come and hear, all you who fear God, and I will tell you what He has done for my soul.

"We were doing a lot of home [church] groups after 11:00 at night because after 11, police go home and are not working," Pastor Makhset (Central Asia), told a TWR missionary video team. "When we had no Bibles, we heard from Trans World Radio some preaching and encouraged each other. Media and Trans World Radio, I think, are very important to our country."

Blessed be God, because he has not rejected my prayer or removed His steadfast love from me!

We thank you for your prayers for this project, for funding, for bringing the right people, for the barriers to be removed. It could not have been completed without the partnership of God's people.

Excerpts from Psalm 66

We were so thrilled in May to be able to gather our whole family together for a long weekend in Pennsylvania! It was our first time to see some of our grandchildren. Many of you have faithfully prayed for our family through the years, and we will only know in heaven how many blessings we enjoy because of those prayers!

Left to right:

Scott, Rachel (with Holden), Bennett and Harper (live in PA)

Brandon and Charlotte (Ft. Lauderdale, FL)

Carol and Daryl (Cyprus)

Eric and Audrey (Phoenix, AZ, soon to be Greensboro, NC)

Gage, Julie and little Rowan (West Palm Beach, FL)

Pray for **Daryl** as he gets involved in a couple of new projects. He is evaluating aging transmitter sites on which TWR leases time in Europe, and how to keep them broadcasting reliably, and **working with a team to update TWR's equipment that sends programming to the transmitters.**

Thank you, thank you, thank you, for your ongoing prayers and support as we continue to serve with TWR. Next month will mark 30 years, and we count each one a privilege and gift—that the Lord has allowed us to be a part of what He's up to around the world through TWR!

Many blessings,

Carol and Daryl Vandyken

Please **pray for our church here in Cyprus**, Petra Bible Fellowship. They are **hoping to register as a church** (in Cyprus, up until now, churches can only register as a 'club' or 'organization'.) If they succeed, it will be the first evangelical church in Cyprus to be registered as such with the government. We would also then be allowed to **rent our own space in which to worship.**
