

Greetings from the Westons

TWR, Cary, NC, USA

May 2018

Fire broke out at TWR, Cary, North Carolina, on December 22nd approximately 6:30 AM. No one was injured and no one was occupying the building at the time. The fire is being investigated. None of our broadcasts were missed and operations continued with little interruption. **Crucial, time-sensitive operations were quickly moved to the lodge as we turned guest rooms into office space. Our maintenance team, volunteers, and IT/IS departments set up computers, copiers, and phones as well as lots of coffee and food to keep everyone going in their temporary office spaces.** The entire office building was affected by smoke so this meant everyone's office areas were disrupted as cleaning and construction companies worked to put us back together again. It will be several more weeks before everything is repaired. But God...

...Giving them a garland instead of ashes, the oil of gladness instead of mourning, the mantle of praise instead of a spirit of fainting. So they will be called oaks of righteousness, the planting of the Lord, that He may be glorified. (Isaiah 61:3)

Our team is stronger. Our building is better. Our creativity with our resources is better realized. Our message is alive.

Our God is glorified.

In other TWR news...

Our annual Global Human Resources Conference has just ended. I am always so happy to have our team together, working on common goals and projects together. Our focus continues to be on recruiting of missionaries, but we also look for better ways to train our staff and for better ways to take care of our staff.

Here's a little quiz for you:

How many people are serving with TWR around the world right now? (Supported missionaries, local staff, appointees raising support and regular volunteers)

- 236
- 468
- 342

The correct answer is 468!

Our staff work hard to see that the message of Jesus is presented to a potential audience of over four billion people.

Please pray for our staff - many who serve in difficult areas of the world - and pray for our Global HR team who work hard to take care of them.

Something new...

We are excited to announce a new project in Central Asia - a new opportunity to reach people in that region of the world with the gospel of Jesus Christ. We are pleased to introduce to you the Silk Road Transmitter Project. More information will be available on our website soon along with an opportunity for you to be a part of this new transmitter's installation in a critical part of the world.

Stay tuned...

**Thank you for your prayers, financial support, and partnership with us and TWR.
Serving Him *together* with you,
Rick and Cathy Weston**
