

Our family has GROWN!

Bethany and Brad have added Lillian to their family. It was a treasured experience to be with them when she was born in May.

Tyler, Emma, and their sons Wayne and Clint have moved to a new city and a new job. Tyler is now a veteran – his Army commitment has been fulfilled – and is starting a new career in law enforcement in a new Texas town. They have already found exciting opportunities, friendships, and a church in their new community.

Brenna is starting her second tourism season on the North Carolina Outer Banks and her job responsibilities and opportunities have expanded. It will be exciting to see what these new skills and experiences are preparing her for in the future.

Kirk and Meredith are the family encouragers and are consistent in their cheering everyone on. It's fun to see them prepare for the future in their home renovations and improvements, and in their church community and friendships.

Serving Him together with you. Rick and Cathy Weston
