

Speaking Hope to the World

The Westons

March 2020

Who is TWR? Here are some quotes I've seen recently that answer that question:

How can you share the Gospel with someone if you do not have the means to reach them? How can a broken world know Jesus if they cannot hear his name? It is a huge task. But it is possible! We do it every day at TWR.

One of our partners recently said that many times people say there are "closed countries." Well, in reality, there is no such thing as a closed country. With TWR you have the ability to reach people through broadcast mechanisms so that there really are no closed doors.

Our purpose is to assist the Church to fulfill the command of Jesus Christ to make disciples of all peoples, and to do so by using and making available mass media to proclaim the Gospel of salvation to as many people as possible, instruct believers in Biblical doctrine and daily Christlike living, and model our message through our corporate and cooperative relationships.

Our programs are in more than 230 languages! We're not just radio; we are also online streaming, portable media devices, satellite delivery, printed publications, various digital platforms, and video. If you haven't visited twr.org lately, I'd like to encourage you to take a look. It's big.

What are Rick and Cathy doing and how can you pray for them?

Rick just finished participating in the Global Leadership Team meetings. Pray for the TWR leaders as they plan for the months and years ahead. Rick heads to Africa later this month. Please pray for his safety and success in the tasks he will be attending to. He will lead the Global HR meetings in North Carolina soon after he returns home. In April he heads back to another part of Africa, and in May he will be traveling to our European offices. Pray as he leads these teams and for his safety in travels.

Cathy is beginning some new projects in which she will be working with new media partners and TWR integrated ministries. Pray for her as she helps develop and learn these new processes. People and teamwork are her favorites! She is also doing some traveling in February and in March. Pray for her safety in traveling and for her as she encourages and spends time with the kids and grandkids.

We are taking some seminary classes together. We just finished a class on Romans and now we're taking a class on Revelation. We are learning a lot and are enjoying meeting new people. And thank you for praying for our friendships and ministry in our local church too.

Please let us know how you are doing and how we can pray for you too!

It keeps getting better and better!

Even though we are spread out in 4 different states, we are so blessed to still see all the kids fairly frequently. And they visit each other too. But getting EVERYONE TOGETHER is a little harder to coordinate. But it happened in January in Texas!

Loving the grandkids.

Being “Grandpa and Grandmom” is a joy beyond words.

The good ole’ days are still to come!

Serving Him together with you. Rick and Cathy Weston
