Serving with TWR

October 2020

Dear Friends and Family,

What a whirlwind and wild year we have endured! In the midst of the craziness of 2020, I am excited to share with you how God has been working in my life! At the end of 2019, I began to pray and ask God about next steps for my career. Knowing that I would complete my graduate coursework in the fall of 2020, I started seeking and searching for new opportunities. Over the course of several months, I learned about TWR, its ministry, and formally committed to my future role serving as a full-time missionary.

As I now look back, it is obvious to see that God has been preparing and equipping me for service with the global ministry of TWR (formerly Trans World Radio). Founded in 1952, TWR's purpose is to use various media platforms to proclaim the gospel and to disciple believers in over 275 languages and in more than 190 countries throughout the world. The fruit of this ministry is evident by the thousands of responses from listeners around the world whose lives have been transformed by the gospel-centered content. If you'd like to learn more, visit www.twr.org – and definitely check out the listener stories!

With a mission and vision of bringing hope to a hurting world and believing that the gospel has no barriers, I am excited to announce that I will be serving as TWR's *Short-Term Missions Program Coordinator*, a part of the organization's mobilization team. I will work to mobilize and coordinate the logistics for TWR's short-term missions programs as well as assisting in the growth of the internship program. The ultimate goal: prepare and equip future long-term missionaries who are passionate about spreading the hope and love of Jesus Christ through radio and digital media.

The current focus of my ministry with TWR is enlisting a team of individuals to partner with me through prayer and finances. I welcome your prayers as I begin building my team, and I look forward to being in touch with you to share more. If you'd like to receive my quarterly prayer letter, feel free to email or text me and I'll add you to the list!

Thank you for taking the time to read this letter and celebrating how the Lord continues to work in my life. His compassion and faithfulness are never ending, His mercies new every morning!

With joy and gladness,

Jennifer L. Bozeman
