

Churches in MOTION

April 2018

Tyler, Jennifer, and Natalie dressed up for a family wedding in Oregon.

Natalie turned one-year-old on January 31, the day after she started walking. We're so thankful for our sweet girl! She's sleeping through the night, eats a humongous amount of anything and everything, and is a happy little one. And after a few weeks of walking independently, she toddles around the house quite easily now. What a blessing she is!

In between watching Natalie explore her world, we've had visits from our families, enjoyed several inches of snow, and finished unpacking and hanging pictures on the wall. The daffodils are starting to bloom, and North Carolina feels like home now. Thank you for your prayers for us over these last months of transition! Please keep praying for us as we work with TWR MOTION!

Tyler continues to work hard filming and editing videos as part of the TWR MOTION team. Praise God that despite a fire that caused much damage to the TWR office building, the work continues without interruption.

Please pray for the TWR MOTION team as we look ahead at the coming year and consider ministry opportunities. There are a lot of available opportunities, pray that God would grant wisdom as we pursue the ones that will expand the Gospel to the unreached parts of the world. Please pray for the two new team members (Rachel and KariAnne) raising support to join our team.

Thank you so much for your ongoing prayers and support!

~Tyler, Jennifer, & Natalie Church

Natalie has been enjoying the snow!

Natalie turned one in January!

The Advent candle was cause for much squinting and admiration.
