Thank you for praying for our travels to Trans World Radio's US office! After a full and busy week, it is official that we will be serving with the TWR's Visual Media Team. While in North Carolina we spent time with the Visual Media Team, and are thrilled for the opportunity to work with this gifted group of people who are serving God with their skills.

The Visual Media Team creates promotions for TWR's ministries, produces gospel media to be broadcast, and captures listener stories. This department is based out of the Cary, North Carolina office, and travels around the world for filming their ministry projects.

We are currently working on ministry partner development, which involves raising the finances we need to do our work with TWR. We are meeting with churches, small groups, and individuals to share about TWR and the Visual Media Team. It is exciting to see how God is bringing partners to support us through prayers and finances!

Other things are keeping us busy as well. We are thrilled to share with you that we are expecting a baby in early February! Jennifer will substitute teach this fall, and then stay home with the baby once it arrives. Tyler is starting classes at Northwest University this fall, as well as continuing to work full-time. Please pray for us as we juggle many responsibilities!

~Trans World Radio broadcasts in over 230 languages & dialects in 160 different countries. This is the power of radio!

~Are you interested in meeting with us for more information about our ministry with TWR? Or would you like us to visit your church or small group? We would love the chance to share more about our ministry!

~Please pray for our financial and prayer support to come in God's timing, and that we would look to Him for direction throughout this process. Thank you for your prayers!

Our next prayer letter will be mailed from the TWR office; so watch for an official envelope!
