

Until the Whole World Hears

The Becker Family M&M's - March 2020 Update

Have you heard the term “unreached people group” or UPG? This is any ethnic people without enough Christians to evangelize the rest of the group, a definition usually applied to communities where less than two percent of the members have a personal relationship with Jesus Christ. Even when the Bible is translated into a particular language, limitations in literacy, understanding, group traditions, or even deep poverty prevent these groups from receiving the gospel. So, how many UPG’s are there? Of the 4 billion people within the Asia region, 2.3 billion are unreached. In fact, only one percent of every \$100 given to missions goes toward reaching these groups and only one in 30 missionaries are working within these communities. While this is staggering news, there is also good news! TWR and national partners are currently producing a set of 60 Bible stories about the life of Jesus called “SON-Lift.”

This highly regarded project, forecasted to be in 15 languages, specifically targets 106 of China’s 446 unreached people groups and is broadcasted regularly from KTWR Guam! Each program includes a Bible story, music, an explanation of the gospel and prayer. As we tease among other mission organizations, TWR is the gospel “air force” and we are excited to be a part of leaping over boundaries of illiteracy, poverty and geography to spread the life-changing news of Jesus. joshuaproject.net www.twr.org/project/sonlift/

As little Beckers may say when offered a stacked ice cream cone, “this is the BEST day ever” precisely described Melinda’s opinion of her 7-hour silent-sabbatical. Basking for hours in the Word, worship, prayer and stone-cold quiet was a fantastic gift she had never experienced (but hopes to again!) Psalm 16:11 “You make known to me the path of life; in your presence there is fullness of joy...”

UP, UP and AWAY (times two!): Mahala and Micaiah will be serving with Teens Missions International from June 13 through July 31, 2020 in Poland! If you have not received information about their trip and would like to hear more, please email mahalamaebecker@gmail.com or visit teenmissions.org.

Named after Mount Moriah (Gen 22, 2 Chron 3) and her great-great-grandmother on Melinda’s side, Moriah Clarice does not lack the notability or tenacity of her name’s sake. Though she has a greenbelt in mixed martial arts, academic giftedness, an insatiable reading habit and belts out movie soundtrack ballads, what she loves most (and loves to share) is her vibrantly decorated coloring projects and posters.

Praises

- * Tower engineers from Australia obtained proper visas and will be on island this month to assess our tower infrastructure and help direct future repair/replacements.
- * The TWR Asia director visited KTWR Guam sharing encouraging ministry highlights from our region. Go GOD!
- * TWO KTWR night-watch standers have been hired to help relieve missionary staff to do their “day jobs.”

Prayer Requests

- * Strong marriage, godly parenting, ministry balance.
- * KTWR equipment – wisdom and resources for replacement and repairs.
- * Mitch’s roles as the facilities and station manager.
- * The Guam suicide rate is more than double that of the US. Please pray for people to know the Hope of Christ.
- * More laborers to missions.
