

“And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.” -- Romans 8:28

Dear Ones,

What an uplifting reminder this Biblical truth is for us the apostle Paul referred to in Romans 8! The last few months of sheltering -- according to the stay-at-home order -- has been a rather challenging experience for all of us. We long for the time God has foretold about in Isaiah 45:23 this way: **“I have sworn by my own name; I have spoken the truth, and I will never go back on my word: Every knee will bend to me, and every tongue will declare allegiance to me.”**

Trans World Radio daily brings the Good News of Jesus Christ right into the home of many people around the globe. Recently, God has opened a new door for our mission to enhance the Arabic outreach by broadcasting from an FM radio station, which is located at the heart of the Middle East. The daily, one-hour-long program brings the Gospel to the people groups of Syria. It extends the ongoing Arabic ministry that has been made available by high power AM radio transmissions as well as via the Internet.

In response to the TTB programs broadcast by TWR, a listener in Kuwait wrote... *This program sends light beams to the heart and mind. I experience so much understanding of many life issues and when I listen to it, I live in heavenly peace knowing that I'm starting to understand how the Lord really wants me to live.*

Praise the Lord that He has granted us further progress in the software development project I have been involved in for TWR's new broadcast monitoring system. My colleague has been assembling the monitoring units (based on KiwiSDR) that will be installed at key locations in each TWR region later this year, God willing. We pray that all may go well with the remaining tasks so that we would complete the first phase of this project.

Please, pray with us that many people may turn to Jesus Christ in true repentance and saving faith all over the world, as TWR spreads God's wonderful invitation for life in more than 275 languages/dialects. Your continued partnership with us has been such an encouragement and blessing from the Lord. Thank you!

In Him,
