

...the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit ... and able to judge the thoughts and intentions of the heart. Hebrews 4:12

Dear Ones,

At the sixth month mark of the global coronavirus crisis, we continue keeping our eyes on the Lord, trusting Him for protection. Even though the crisis lingers on, we praise God that the death toll has not been as high as it was projected at the beginning stage.

TWR's global radio outreach is uniquely positioned for this season by bringing God's proclaimed Word into the home, where people spend more time due to the restrictions. Over the years, the leaders of TWR India have organized a network of home fellowship groups (called Radio Homes) where people listen together to the Biblical messages broadcast via radio waves. They also have lay leaders who visit those home groups regularly. Through one of them, we learned about this testimony...

I used to feel that life was difficult because I was totally addicted to alcohol. During this COVID-19 lockdown, I was unable to get alcohol and was so depressed that I thought my life was meaningless. One day, a Radio Home leader approached me and made me listen to messages from God, then invited me to join a home group. As a result, I turned to the living God and have accepted Jesus Christ as my Savior. Even my family came to faith after they noticed the change in my life.

Another encouraging listener response (for the programs in Oromo) along with a request for prayer came from Ethiopia...

Recently, I started to listen to the Thru the Bible radio program, and I thought it was one of the secular programs, but it was not. Rather, it is a unique radio program that has changed my false perception of Christianity. Eventually, this program led me in the right way, and I decided to accept the Lord Jesus Christ as my Savior. Now I face challenges and persecution from my family and relatives for having converted to Christianity. I believe Jesus will cure my family from spiritual blindness. Now I am staying with one of my relatives. Please pray for me.

Only the Lord knows the full extent of what has been going on and how all details fit in with His eternal plan for mankind. As for us, we try to focus on staying in constant communion with Him and waiting on His purposes to unfold for His glory. Thank you for your partnership with us in His mission by your prayers and financial support as He enables.

Most gratefully in Christ,

Kalman & Annamarie
