

The people who walk in darkness will see a great light;
Those who live in a dark land, the light will shine on them.

Dear Ones,

Recently we learned that radio broadcasting in America celebrates its 100th birthday this year. On November 2, 1920, the KDKA station in Pittsburgh, Pennsylvania, broadcasted the election results of the presidential race between Warren G. Harding and James M. Cox. Historians consider that transmission the beginning of radio broadcasting.

International Christian broadcasting was started 25 years later by FEBC, and Trans World Radio came on the scene with its radio outreach to Spain from Morocco in 1954. Despite the huge changes in the media landscape over the years, TWR still uses radio transmissions to proclaim the glorious Gospel of God to many people groups around the world. Praise the Lord with us, who made this possible and has sustained TWR for over 66 years. He is blessing our efforts of assisting the Church in spreading His fame around the globe via radio waves and the Internet.

Starting in the middle of November, we have birthday celebrations going on for two months for our grandchildren. Meital had her special day in November, Hannah and Naomi have it in December and Nehemiah in January. Johanna and Abner have been doing a great job in raising them in the love of Christ.

Thank you for your partnership with us. It is such an encouragement for us to know that we are joined together in prayer at the throne of our Heavenly Father, who has been accomplishing His gracious purposes in and through us all, whom He gifted to Christ for eternity.

May our hearts be filled with inexpressible joy during this season as we contemplate the glory and mystery of God's incarnation in Christ Jesus for our sake. **Merry Christmas!**

In His great love,

Kalman & Annamarie
