WFH with Zoom, Zoom, Zoom...

TWR Office Zoom – devotions & prayers

Weekly TWR office meets online on Tuesdays for devotion and prayers and also a casual session on Friday to chat. We shared how we came to faith on Friday and we know each other better from these sessions.

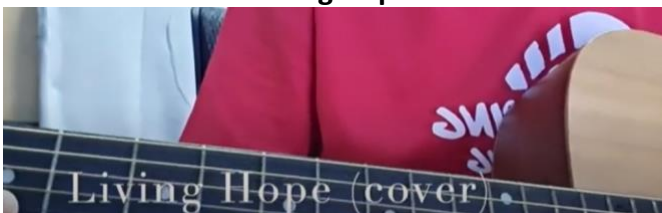

Working From Home

Not being able to get out of home on workdays does bore me plenty. But I get to hear music without needing to put on earphones, unlike being in an open concept office sitting arrangement.

Helpdesk requests were attended to and as IT administrator, I can remotely control users' computer to work on the issues.

There is still monthly Zoom or Microsoft Teams meetings for the various groups I'm involved in. Most of the group mates also WFH.

My photography is better than my guitar skill or voice. But I did a video of a song that means a lot to me. Click on the link and hear for yourselves.

My Dad & My Mum

After 12 Electro Convulsive Therapy sessions, my dad was able to discharge from home. He is 82 this September, being COVID-19 season, he is staying home.

Pray for my dad to:

- Stable emotions, sound mind and positive outlook.
- Strength for each day and being helpful at home than to meddle with everyone's business.

My mum has carpal tunnel but after seeing an occupational therapist, she does not need surgery and is encouraged to work on the required exercises.

She has some possible renal issues, which needs to see a urologist in August 2020.

Pray for my mum to:

- Be patient and loving to my dad, bearing with him
- Good health and healing from the health issues.

There are various teams in Asia that worked to have 7 languages thus far for this special COVID-19 programs.

We were rushing for Bengali and Tamil content to be available for migrant workers in quarantine. Many of them are in dormitories around Singapore and being able to access WiFi and can get to listen to the programs in their heart language.

Route 1 – prayers & updates

This is a small group of regulars at Route 1 where we cover Lorong 24, 22 and 20.

There is some ongoing work to help some ladies despite the Circuit Breaker following Phase 1.

One of my conversations with an uncle [my text in green]

Circuit Breaker maybe a way God disrupts the sex trade as we see a few uncles who are considering leaving the trade and be restored.

Pray with us that God, will continue to impress on the hearts of many into leaving the trade.

He Will Hold Me Fast (song)

When I fear my faith will fail, Christ will hold me fast;
When the tempter would prevail, He will hold me fast.
I could never keep my hold through life's fearful path;
For my love is often cold; He must hold me fast.

He will hold me fast, He will hold me fast;
For my Saviour loves me so, He will hold me fast.

Those He saves are His delight, Christ will hold me fast;
Precious in his holy sight, He will hold me fast.
He'll not let my soul be lost; His promises shall last;
Bought by Him at such a cost, He will hold me fast.

He will hold me fast, He will hold me fast;
For my Saviour loves me so, He will hold me fast.

For my life He bled and died, Christ will hold me fast;
Justice has been satisfied; He will hold me fast.
Raised with Him to endless life, He will hold me fast
'Till our faith is turned to sight, When He comes at last!

He will hold me fast, He will hold me fast;
For my Saviour loves me so, He will hold me fast.

Meetup Organiser

Cycling Around Singapore (East)

Long story short, I took over a Meetup Group which is due to close if no one takes up leadership. I took it up and trust it will be a good way to be a Christian influence.

The above photo was taken on the 2nd event I hosted in June 2020. I gave all participants photo postcards with Bible verses as I ran out of tracts.

The group stands at 96 members and once it reaches 100 members, I will have to start paying SGD\$43 per 6 months subscription.

- Pray for safety and protection as I intend to plan a ride every week and pray also that participants can experience a wholesome adventure and build good friendship.
- Participants to take a interest in Christian faith and come to know Christ.

2020 05 02

I start my 18th year with TWR on this date. Ministry is not always rosy and cheery, but it is a good way to serve God.

Though I do not make a killing with a fat pay check, the opportunity to work in Christian media and making a difference to our audience on air and online is rewarding.
