"Asia Content Manager"

There are some personnel changes in Guam and I landed on an interim position to hold the fort.

I used to schedule programs for Asia broadcast years back and it's a similar work but with new developments. Looking forward to this challenging work.

Content - Bible

I can read fiction/non-fiction books easier than engaging in the Bible. I serve with TWR where there are huge content from our TWR360 app to broadcast on air every single day.

One way I get into the Bible is via "Dwell" app:

ESV is my go to translation and I have exceeded the schedule and I intend to repeat the entire schedule again if time permits. 1st April 2021 is 89th day but I'm at the 158th day. Being honest, "Numbers" was skipped a lot due to the counts.

Content - Books

On the left was the 3rd book I read in 2021, the right, the 5th book in 2021.

I like to read more in 2021 and not binge on Netflix or social media excessively. After all, books help with thinking while media consumption satisfies the eyes.

My Dad & My Mum

In the last visit to IMH medical appointment, my dad has been given Lithium to calm his moods and it did help though he is still anxious at times.

Pray for my dad to:

- Stable emotions, sound mind and positive outlook.

My mum has a few medical conditions from renal to nervous pain at her shoulder.

Pray for my mum to:

- Be patient and loving to my dad, bearing with him
- Good health and healing from the health issues.

Evangelism

Yes. Bro i got some questions to discuss with u. Maybe we have coffee together.

Sure my place has a prata shop we can meet to chat and deal 😊

Story 1

Met an old contact on Carousell to deal and chat about faith related question. His wife is a Jehovah Witness and we have previously discussed on this. I passed him a Chinese NT and a full, brand new ESV Bible for him to explore more as I told him that JW bibles are different.

Story 2

I sent an e card on Carousell and person said he like the postcard sent. Thank God for the small ways I share Christ.

Special Volunteer Work

Project GLAMours

My church missions staff sent a text seeking for volunteers to help with opportunities to serve as ushers in a arts event.

I was ushering in February slots and then was photographer for March slots.

Though it was organized by a missions agency, we are not to evangelised directly to jeopardise the work which will be till April.

Yet I gave out over 50 sets of postcards, even to non-Chinese I met saying "Here are some photos I have taken and I print and give them away".

God willing I will serve as photographer again in April's slots.

Hold On To Me – Lauren Daigle (song)

When the best of me is barely breathing
When I'm not somebody I believe in
Hold on to me
When I miss the light the night has stolen
When I'm slamming all the doors You've opened
Hold on to me, hold on to me

Hold on to me when it's too dark to see You
Hold on to me when I have reached the end
Hold on to me when I forget I need You
When I let go, hold me again

When I don't feel like I'm worth defending
When I'm tired of all the pretending
Hold on to me
When I start to break in desperation
Underneath the weight of expectations
Hold on to me, hold on to me

I could rest here in Your arms forever
'Cause I know nobody could love me better
So hold on to me, hold on to me

Cell Group "Re-Grouped"

My cell group started to meet again pushed into action due to ONE CAMPAIGN where we meet to discuss lessons learnt from the Gospels during Lent.

This new season, the whole cell group are gentlemen and it is a good interaction and being able to pray together for our families and ourselves.

Getting Back to Work

After WFH for over a year with Team A, Team B after Circuit Breaker, I will return to office for 3 days a week starting 5 April 2021.

I look forward to being with colleagues yet to keep my mask on at work is not something I would enjoy much.

Social Media – Church & Work

I have been posting for my church on FaceBook and Instagram, not exactly being "asked" to keep it updated. But in this season where we have "audience" worldwide, it will be good to have content online.

Social media at work has been easy as I would duplicate the feed that HQ uses. So we have a corporate feel in the colours and harmonised content.

St. Patrick's Prayer

ST. PATRICK'S BREASTPLATE

Christ with me,
Christ before me,
Christ behind me,
Christ in me,
Christ beneath me,
Christ above me,
Christ on my right,
Christ on my left,
Christ when I lie down,
Christ when I sit down,
Christ when I arise,
Christ in the heart of every man who thinks of me,
Christ in the mouth of everyone who speaks of me,
Christ in every eye that sees me,
Christ in every ear that hears me. @eddielimcs

May you be encouraged as this prayer be one you can pray as we are in our second year of COVID.

Many of our loved ones are getting vaccinated and soon enough the entire nation.

God of yesterday, today and tomorrow will be your Refuge and Helper in time of needs. He never leaves you of forsakes you. He loves you and calls you His own. You are the apple of His eyes. He is for you.
