

# HODGINS MAKING WAVES

MARCH 2020

Every year the trade winds begin to blow across our island, from January through about March, bringing a welcome breeze and reprieve from the swelteringly hot weather experienced during other parts of the year. This year, it seems the trade winds have brought in a lot of changes and opportunities for our family.

The Coronavirus crisis has brought a great deal of concern around the world, and with our proximity to Asia, it has been of particular concern to those living in our region. While so many are filled with fear, TWR has created a special report titled *The Coronavirus: What You Need to Know*. This program is currently available in English and is being translated into Mandarin and Cantonese, with plans to

broadcast to the people of China from our station here on Guam. In the program, “Dr. David Stevens gives clear, practical understanding of the disease and offers a biblical perspective for life in the midst of the crisis.” **Pray for the people affected by Coronavirus, and that those who hear the special programming will be comforted knowing that He is sovereign and cares for us.**

We rejoiced on Sunday, February 9, when our son, Matt, was baptized! Scripture says in Colossians 2:12, “For you were buried with Christ when you were baptized. And with him you were raised to new life because you trusted the mighty power of God, who raised Christ from the dead.” Matthew put his trust in Jesus as his redeemer several years ago and recently decided that he wanted to follow through with believer’s baptism. He tends to be very reluctant to stand in front of people, and we are proud of him for stepping way out of his comfort zone by being baptized in front of many friends and members of our church family.

---

Thank you for your faithful giving and prayers!

Acts 20:35 In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: ‘It is more blessed to give than to receive.’ ”

Grant has taken up a new hobby. He is now a beekeeper. He has two hives that he built himself. One has bees from a trapped swarm and the other came from a telephone pole. The hive from the telephone pole was seven feet long.

Grant has been adventurous and, while traveling in Singapore, he met up with a beekeeper there. John is most likely the only beekeeper in Singapore. [www.beeamazed.com.sg](http://www.beeamazed.com.sg) Grant and John hit it off right away. It was wonderful to find out John is a Christ-follower as well.

#### Prayer requests:

1. Grant will be traveling to Cary, NC in March for global HR meetings.
2. We are so thankful that the generator project has been fully funded! The new generator should be purchased and installed soon.
