Dear Family and Friends,

As we have been preparing for this transition for the past year, we were reminded of the story of Noah's Ark. God instructed Noah to build a boat that would survive the great flood. Noah got to work preparing, planning, building, and gathering items as God instructed. When everything was ready, God told Noah, "Go into the boat with all of your family, for among all the people of the earth, I can see that you alone are righteous" (Genesis 7:1). Then God sent the flood. Noah and his family spent over a year living on the boat waiting for God's timing to get off the boat. Towards the end of their journey, Noah sent a dove to see if the water had receded and if it could find dry land. The dove returned with a fresh olive leaf in its beak. This signified the floodwaters were almost gone. Noah waited one more week to be sure this was God's timing to GO and get off the boat. What patience Noah showed!

Recently, at a mom's ministry event, Chelesse painted an olive branch. Little did we know, exactly one week later, we would be receiving the news that it is time to GO! God is ready for us to start onboarding and transition full time to the team on Guam!! **The goal is to be on island in early June!** With great excitement, we buckle up for some major changes. In the next several weeks we will be selling our house, lining up an international shipper for our household goods, traveling to TWR headquarters in Cary, NC for predeparture planning, finishing homeschooling, and visiting family and friends to say goodbye.

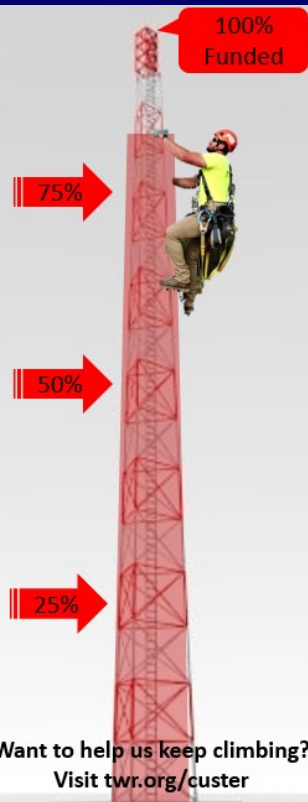

While we have God's provision to move forward, we must reach the finish line in building our ministry support team. You may recall in our last newsletter that we were doing a 40-day challenge to be fully funded. Those days were so fruitful. It was amazing to see God's hand at work in many ways. We greatly appreciated the many of you who prayed with us as well as partnered with us. Although we weren't able to meet our goal, we are very close. To finalize our ministry support team, we are seeking 20 ministry partners each praying and giving between \$50-\$150 per month. **Would you consider being 1 of 20** so we can be fully supported to enable the gospel to continue to go forth from the island of Guam into Asia and the Pacific? By doing so, it allows somebody to hear about Jesus every single day! If you feel led to partner with us, contact us directly or visit [twr.org/custer](http://twr.org/custer).

With love,  
Cody, Chelesse, Cecilya, Chamberlyn, Cora & Camrie

## Listener Story

"I am a frequent listener of the "In Touch" radio programs, and I have accepted Jesus Christ as my Savior because of that. Through this program, my faith has become stronger and I cannot survive without listening to this program. I learned more about God and now I live a life of purpose. Through this, I receive good spiritual food. May God bless the ministry."
