Dear Family and Friends,

We write this newsletter with joy and gratefulness in our hearts as we are less than a month away from departing for Guam. It's been a busy past couple weeks as we have been blessed to have accepted an offer on the sale of our home, secured a rental house on the island, traveled to Cary, NC for our Pre-Departure Orientation, and finalized the logistics for obtaining a shipping container. Additionally, we rejoice in having met our financial support goal and the purchase of our flights leaving on May 30th, arriving on June 1st. The Lord continues to show His faithfulness as we follow His leading in our lives.

Over the past several months we have stopped to reflect on the love, compassion, and encouragement many of you have shown to us. It becomes difficult at times to put into words our gratefulness for that, knowing we have partners in advancing God's kingdom who pray, give sacrificially, and show sincere hospitality for our family. It could be easy to become overwhelmed and distracted by the next task in front of us in this transition, yet we are continually reminded that we couldn't be doing any of this ministry without you. It is a humbling journey, one that we are honored to be on.

This reminder brings to light the challenge we often have when trying to express our sincere thankfulness to God for what He has done for us, as words seem to fall miles short. He exchanged His perfect Son Jesus for us. Usually, an exchange is one of equal value, yet God offers to trade His righteousness for our sin, something of immeasurable worth, for something completely worthless. How grateful we should be for His love and kindness to us. "For God made Christ, who never sinned, to be the offering for our sin, so that we could be made right with God through Christ." 2 Corinthians 5:21. THANK YOU for the continued prayers, love, generosity, and encouragement as we take this gospel message of the love of Christ into all the world.

With love,
Cody, Chelesse, Cecilya, Chamberlyn, Cora & Camrie
