In August, our family was invited to attend a family camp with some dear friends. We had an incredible time building new friendships, digging into scripture, worshipping together, and witnessing two baptisms. The theme for our time together was Walking Out in Faith. This was paired with two pieces of scripture, Proverbs 3:5-6 (“Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths”) and Isaiah 41:10 (“So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with My righteous right hand”).

We are so thankful for encouraging words throughout the Bible. Taking this leap of faith to go into missions full-time hasn't been easy. We're leaving a secure job, family and friends, great schools, our church, and wonderful neighbors to go 7,000 miles to the other side of the world. However, we trust with all our heart that this is the path God has made for us, and we have great comfort and peace in His plan. We want others to be able to experience the love and grace of Christ, who provides a peace beyond understanding.

Therefore, we continue to move forward to make that possible. Over these past few months, we have been blessed with the opportunity to share with churches, small groups, and individuals about our ministry with TWR. We have had many join our team to come alongside us in spreading the good news! Do you want to be a part of sharing this message of hope? What about your church, small group, or business? Would you prayerfully consider partnering with us on a monthly or annual basis? Let's make it happen! Send us an email or a text to set up a conversation.

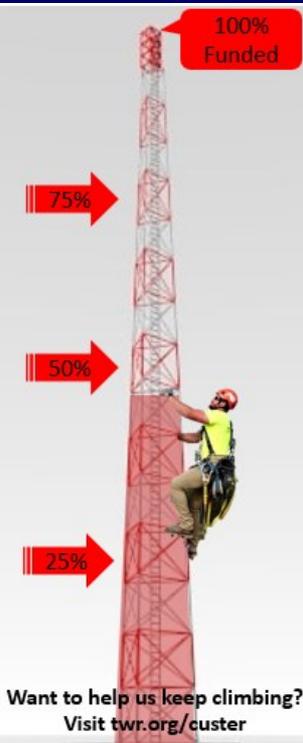

## Listener Story

**ASIA**

*"It's been six months since I accepted Jesus Christ, and I'm a regular listener of the Tharu program (The Word Today). I am unable to go to church because of the lockdown. Sometimes I'm frustrated in my spiritual life, but the radio program encourages me a lot, and I have the phone number of the follow-up center. Every time I have questions about the word of God, I use it to ask them and get answers. Kindly pray that my entire family will believe in the Lord Jesus Christ."*

## Timeline Update

Our cross-cultural training in Colorado is still scheduled, which has us departing October 24. We will live with others who, like us, are preparing to transition overseas with the primary focus to share the gospel. The training will conclude on November 21 when we will head home to process and digest all that we learned. Just in time to spend Thanksgiving with family!

From that point we will plan the final steps before our departure to Guam: the sale of our home, packing the goods we will take with us, and liquidating what stays behind. We also will continue growing our team of ministry partners until we are 100% funded. Have questions?
